

NOTE

- The Supercrete™ cladding is shown as an example but other claddings may be used. Project Designer to ensure code compliance for the cladding used
- Ground clearances to be as specified in NZS 3604
- Sub-floor framing to comply with NZS 3604 or by specific design

IMPORTANT

Use this detail with caution

- Check wall plate connection for shear in Supercrete™ Floor Panel
- Limit bearing stress in floor panel to 1MPa maximum
